HOW TO GET STARTED AS A VOLUNTEER

To volunteer to work at a build site, at one of our events, or in our offices, there are a few things you need to do:

Step 1: To get started please visit the [Volunteer Calendar](#) and register as a *New Volunteer*.

Step 2: We ask our volunteers to participate in an orientation before coming to a work site or any of our other activities. (If you are volunteering as part of a designated group or team you can usually skip this step.) Orientation are typically held twice per month, and will be listed on the [Volunteer Calendar](#) as *"New Volunteer Orientation."*

After you are registered online, you can sign up for the next orientation listed on the calendar. The orientations are held at our offices located at 1210 Oak Patch Road in Eugene.

Step 3: Once you have completed the orientation you can visit the calendar and sign up for any volunteer shifts, including the build site. You will have access to our volunteer calendar from any computer with internet access.

If you have any trouble registering on the site, or have any questions, please do not hesitate to contact the volunteer coordinator: Amy Keir – amy@sehabitat.org or (541) 741-1707. Thank you for your commitment to providing affordable housing for local families in need!
